

## SchoolDoc

IMG Academy requires all students to complete registration & health forms prior to participation in any sport training/activities, including an IMG physician's report and immunization record.

To complete your required forms, you will need to set up an account on SchoolDoc. All required registration & health forms **must be completed 30 days prior to arrival to campus**. Once you have submitted all of your forms, our Onboarding Team will review them to ensure that they have been filled out appropriately.

Below is an example of what an email invite from SchoolDoc will look like.

### Helpful Tips

- Visit [App.schooldoc.com](https://app.schooldoc.com), and select Reset Password
- Use the email address that you used to sign your TEA. Your Boarding School Advisor can pull this email address for you if you cannot remember
- If you're unable to do this, email the IMG Customer Support Team at [IMGASchoolSupport@img.com](mailto:IMGASchoolSupport@img.com) or by calling 941.749.8757
- All physicals for the 2023-24 school year must be completed on or after **June 15th**

#### How do I complete my forms?

Forms need to be submitted via SchoolDoc. You should have received instructions on setting up your account in your confirmation email. If you have not received those details, please contact the School Support Team at [IMGASchoolSupport@img.com](mailto:IMGASchoolSupport@img.com).

#### What if I can't complete all these forms before check-in?

We are happy to help you as much as we can in order to get them complete, but failure to complete these forms can delay your student's ability to participate in sport activities.
