NEED-BASED SERVICES
Working with individual student-athletes, we recognize that each one's needs are unique. We have designed our admissions process to help identify and accommodate the needs of the individual. At IMG Academy, we provide special services and amenities to help pave each individual's path to reach their full potential. We offer a host of Need-Based Services that you may request. Some services may be required for enrollment based on admissions evaluations. These services include (but are not limited to) the following:

- Learning Resource Center (LRC) Program – IMG Academy offers a program that has three levels for students managing language based learning differences, such as: ADD, ADHD, Dyslexia, Dyscalculia, Dysgraphia (program can cost between $1,000-$4,500/yr depending on individual need).
- English as a Second Language (ESL) Program – Students enrolling at IMG Academy with less than an acceptable TOEFL score will be placed in supplemental English language classes until their English proficiency reaches an acceptable level. Typically, students take two classes per semester (program cost $2,900/yr).

STUDENT-ATHLETE MEALS, HOUSING & UPGRADES
Standard shared rooms and meals (breakfast, lunch and dinner) are included in boarding tuition. Non-boarding tuition includes lunch. Please inquire with a Student-Athlete Advisor regarding housing and meal upgrades.
