BUILDING TOMORROW'S LEADERS

EXTRACURRICULAR OPPORTUNITIES

There's more to being a student-athlete than simply sports. Once the field lights have dimmed and the equipment is stored, student-athletes have an opportunity to explore their various interests and express themselves through organizations and clubs, student activities and events, and other campus-wide offerings.

Options range from local volunteer efforts, impactful groups that make a difference on campus, and service trips to other countries.

SOCIAL ATMOSPHERE

From homecoming to prom to seasonal events and gatherings, IMG Academy's unique boarding school atmosphere ensures that student-athletes have access to some of the most unforgettable memories.

A dedicated student activities team plans weekly on and off-campus events, local trips, and statewide excursions that provide student-athletes with a chance to socialize and engage outside of sport.

A PATHWAY TO THE NEXT LEVEL

IMG Academy's alumni represent one of the most prestigious of any school in the world. IMG's collegiate-style experience provides the ultimate preparation for success at the next level. Additionally, IMG's dedicated College Planning and Placement Department works closely with every student-athlete to determine their goals, skill level, and aspirations.

By finding the best fit academically, athletically, and personally, this department plays an integral role throughout a student-athlete's career at IMG and assists with application deadlines, enrollment processes, athletic recruiting and communication, NCAA compliance, and more.
