

IMG ACADEMY BASEBALL

From tournaments won to prestigious college placements, MLB draft selections to All-Americans, no program in the world can match the IMG Academy baseball program's history of developing high-performing athletes.

PROGRAM METHODOLOGY

IMG Academy's baseball program is the nation's premier environment for dedicated student-athletes seeking to compete at the next level. IMG Academy's baseball program focuses on complete, individual development.

Coaches with extensive experience at the collegiate and MLB levels work closely with each athlete on their athletic development and progress.

From customized, progressive instruction to position-specific training based on an individual's ability level, IMG baseball develops well-prepared athletes who succeed not only on the field, but in college, in the MLB, and beyond.

BOARDING SCHOOL

6TH - 12TH GRADE AND POST-GRADUATE OPTIONS AVAILABLE

IMG Academy is the world's premier boarding school for dedicated and passionate student-athletes. IMG's college preparatory experience and diverse campus environment mirrors that of a collegiate program and includes on-field development, an annual competition schedule, and challenging academic coursework. IMG baseball's schedule allows student-athletes to develop a routine that transitions directly to the next level.

IMG baseball coaches focus on working grounds and position-specific training in the fall that mirror that of an MLB instructional league before competition begins during the spring semester.

The program's unique structure of multiple teams at various levels allows student-athletes to feel comfortable and challenged while pursuing their personal goals.

Teams are available at the following levels:

- **National:** compete against some of the nation's top programs while gaining exposure to top D1 programs and MLB organizations
- **Junior National:** available for 9th and 10th graders to compete against high level Varsity teams locally and regionally
- **Varsity:** the program offers several Varsity teams to accommodate student-athletes at various levels in their development and high school playing careers
- **Junior Varsity & Freshmen teams:** develop and prepare for the progression towards IMG's National, Varsity, and Junior National teams while gaining exposure to high-level skill development and training
- **Post-graduate:** compete against regional competition including DII and III JV programs, NAIA, and Junior Colleges without jeopardizing NCAA eligibility

BASEBALL CAMPS

AVAILABLE YEAR-ROUND FOR ATHLETES AGES 10-18*

IMG Academy baseball camps feature position-specific training as well as group training sessions that focus on proper mechanics and techniques as well as in-game situations.

Within this unique training environment, campers of all levels will learn directly from the same coaches who led IMG Academy to a 2019 National Championship and have proven experience in developing elite collegiate and professional players. All campers will also receive a post-camp player evaluation inclusive of coach feedback.

IMG Academy baseball camps were developed to focus on the most crucial aspects of the game:

- **IMG Camp:** IMG's revolutionary training methodology (sport & core performance training)
- **Total Athlete:** IMG Camp + 1 daily specialization session (Ex. strength & power or mental toughness & vision)
- **Breakthrough:** IMG Camp + 1 daily personalized sport training session
- **Game Changer:** IMG Camp + Total Athlete + Breakthrough

In addition to progressive training, 3-week camps also provide baseball players with an opportunity to experience the option that most closely mirrors IMG's renowned boarding school program.

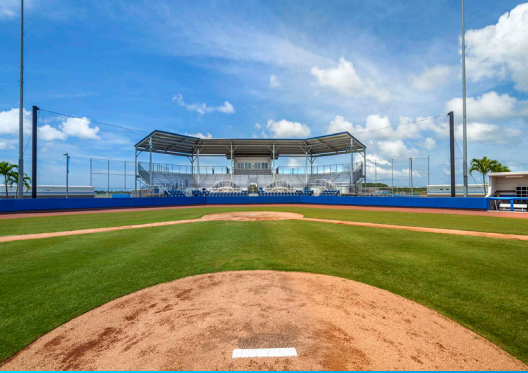

**Holiday and summer camps are available for athletes ages 8-18.*
