

Get Ready!

This AP Statistics course is a unique course in that it is part of the Study of Mathematics called “Discrete Mathematics”. Discrete Mathematics is a theory-based branch of Mathematics and requires accurate calculations and interpretation of the results.

In order to be prepared for AP Statistics, you are asked to complete the Get Ready for AP Statistics on Khan Academy.

To access the assignment:

GO to khanacademy.org/join

And join the class: **PC4EBQCM**

There are five units with multiple assignments.

These assignments will be due at the end of the first week of school. There will be a test on September 11th (A day) and 12th (B day).
