High School Course Selection Planning Form 2024-2025

Choose at least 5 courses from the options below. Please note the following:

- The options that you indicate below are a request only. Your college counselor will advise you on the courses that best fit your academic needs.
- We are unable to permit class selections based on teacher or time preferences.
- Class changes are permitted only during the add/drop period.
- Teacher assignments are not guaranteed for an entire term.
- The Academy reserves the right to make adjustments at any time, particularly when new faculty are added or to maintain appropriate class sizes.
- All students are required to participate in our Advisory program, which will be reflected on the student's transcript. Advisory does not count toward the 5-course requirement. See curriculum guide for more details.
- To be eligible for Honors or Advanced Placement courses, you must meet the following requirements:
 - o Have earned an 80% "B" or higher in the previous subject area course (or international equivalent).
 - o Have a 3.0 unweighted core G.P.A.
- Grade levels for courses listed below are general guidelines only. Each student's academic path may vary depending on courses previously taken and pre-requisite requirements.
- Please refer to the Curriculum Guide for more details about graduation requirements and individual courses.

Instructions for completing this sheet: Please place a checkmark or X in the box to the left of your desired core course (English, Math, Social Science, Science). Please rank your electives 1 – 4, with 1 being your most highly preferred option.
