

IMG Mathematics Placement

Students, who are new to IMG, are requested to take a placement course to ensure they are appropriately placed for the upcoming school year.

To take your test:

1. Go to app.edulastic.com/login.
2. In the upper right hand corner, select 'sign up'.
2. Select the class code needed and enroll in that class.
3. Complete the test.

Anticipated Course for 2021-2022	Class Code needed to take placement test
*2021-2022 6th Grade Math Placement	V26F8BXG
*2021-2022 7th Grade Math Placement	V28RKOXJ
*2021- 2022 Pre-Algebra Placement	V2HFIJE
*2021-2022 Algebra 1/Honors Placement	V20QMH4G
**2021-2022 Geometry/Honors Placement	V2VE4364
**2021-2022 Algebra 2/Honors Placement	V2M69224
**2021-2022 Pre-Calculus/Honors Placement	V2Q4B6H9
**2021-2022 Calculus Honors/AP Placement	V20KAYV1

*Calculators should not be used on these placement tests.

** Graphing calculators may be used on these.

Placements assessments will lock if a student attempts to navigate away once they have started.

Questions regarding the placement assessments can be sent to:
