WELCOME – IMG ACADEMY CORE VALUES

CORE VALUES

OPEN MIND

PASSIONATE SOUL

ABSOLUTE INTEGRITY

CHAMPION'S SPIRIT

HELPFUL HEART

MISSION:

To empower student-athletes to win their future, preparing them for college and for life.

PHILOSOPHY:

The IMG Academy faculty and staff seek to meet the unique needs of the diverse student-athlete population we serve through an eclectic approach to learning by providing a 12:1 student-to-teacher ratio. Emanating from a desire to challenge and engage actively, we strive to identify and develop each learner's inherent ability and capacity for intellectual growth. Passion drives our efforts to provide a quality learning environment for our student-athletes and the encouragement they need to succeed. We are committed to serving the whole learner and are devoted to creating a sense of belonging that transcends learning differences and builds an abiding esprit de corps. As Ascenders, we believe in always reaching, forever striving, and never being satisfied with the status quo.

PROGRAM PURPOSE:

At IMG Academy, we provide a personalized, purpose-driven learning environment in which we challenge student-athletes to master a broad range of skills and competencies. We believe passion drives, drive focuses, and focus empowers rigor and quality performance; and it is that belief that defines our foundational approach to growth, both in the classroom and on the field. Equally important is our embedded emphasis on character development and social responsibility, which we adjudge to be a vital component in our quest to prepare student-athletes for the next step in their life's journey.

Residential Mentors serve as the point of contact and dedicated support staff within IMG Academy's residence halls. In addition, families can contact Residential Mentors as part of the more extensive support system widely available to each boarding school student-athlete. With Residential Mentors assigned to each floor, they promote a positive living environment while uniting student-athletes and navigating the day-to-day of the students. THE BOARDING EXPERIENCE

LAUNDRY SERVICES:

At IMG Academy, we understand that managing laundry can be a challenge for busy student-athletes, which is why we offer a convenient and efficient laundry service tailored specifically for our boarding students. Here's how our service works:

LAUNDRY BAG DISTRIBUTION

Each student is provided with a durable 25 lb. nylon laundry bag to use for their laundry needs. This bag is designed to hold a week's worth of laundry comfortably.

SCHEDULED DROP-OFFS

To streamline the process, we have designated two drop-off days each week. Students can leave their filled laundry bags in the designated bins located in the lobby of every dorm.

EFFICIENT TURNAROUND

We guarantee a 48-hour turnaround time from drop-off to delivery, ensuring that students have a continuous supply of clean clothes.

DELIVERY

Clean laundry is not only washed and dried with care but also delivered back directly to the student's dorm room, adding an extra layer of convenience.

ECO-FRIENDLY AND HYPOALLERGENIC WASHING

All laundry is washed in cold water and dried on medium heat to maintain fabric integrity and energy efficiency. We use commercial-grade laundry detergent that is free from dyes and fragrances, making it suitable for sensitive skin.

Our goal is to provide a hassle-free laundry experience that allows students to focus more on their studies and training and less on household chores.

For pricing information and/or to purchase the laundry service option, contact your Student-Athlete Advisor or the Enrollment Office at enrollmentoffice@imgacademy.com or 941-752-2453.

HOUSEKEEPING OFFERED:

At IMG Academy, we are committed to ensuring that our students and families experience a comfortable and clean environment. Our dedicated housekeeping team provides weekly top-level cleaning services designed to maintain a hygienic and welcoming atmosphere in our boarding facilities.

We maintain the cleanliness of our main entrances and hallways by emptying trash cans, sweeping, mopping, and disinfecting floors, and wiping down entry doors both inside and outside to ensure a pristine welcome area.

Each week, our team will thoroughly clean and disinfect all bathroom areas, including toilets, shower walls, fixtures, and curtains. We ensure that toilet paper is replenished, and trash cans are emptied. Our services extend to the vanity areas where we clean and disinfect sinks, mirrors, and countertops, ensuring these areas are spotless and germ-free. In the bedrooms, we dispose of any trash, clean furniture, and vacuum, sweep, and mop the floors to keep the living spaces tidy and comfortable for our residents.

Through our comprehensive housekeeping services, we aim to provide a seamless and stress-free living experience, preparing students to excel in their academic endeavors without concern over the cleanliness of their living spaces.

VEHICLE AND PARKING INFO

VEHICLE POLICY:

WHAT ARE THE POLICIES, WHAT ARE ALLOWABLE?

- Students who are at least 18 years of age are permitted to have a vehicle on campus. They must register the vehicle with the Academy and provide a copy of the students' valid license, proof of insurance, and registration.
- Registration sticker must be displayed on the students' vehicle.
- Local Sign Out Policy form (p.48) with student and parent signatures must be on file.
- Car keys must be kept with Student Life staff at the corresponding dorm desk and may be checked out when the student signs out.

ON-CAMPUS TRANSPORTATION

- Golf carts, e-bikes, e-scooters, e-skateboards, and other like motorized modes of transportation are strictly prohibited for all student-athletes, including Day students, and guests at IMG Academy. Only IMG Academy staff are permitted to operate a golf cart.
- Non-motorized bicycles remain permitted (must be registered with Campus Safety).

PARKING:

Parents dropping off their students should park in the lot near the Welcome Center located in the Campus Center. Please ask the entry gate upon entering if you have questions regarding parking or directions.

IMG Academy offers a Tram Service to navigate campus upon arrival and during your student's stay. There is a tram stop located behind the Campus Center. If you are staying at Legacy Hotel, we also offer parking on-site as well as a Valet Cart service that operates upon request to campus.

- Parents can request a parking pass when entering/leaving campus from the Campus Safety staff at the gate.
- Please note, students will be permitted to utilize a ride sharing service (Uber, Lyft, etc.) to leave campus with an approval from parents through REACH.

REACH – SET UP & INSTRUCTIONS

IMG Academy has implemented the REACH Student Life Management system to enhance the safety and security of student-athletes.

REACH coordinates Leave Request procedures for School Staff, Parents/Guardians, Hosts (e.g., grandparents), and Boarders by creating an easy to use, paperless system, which is available from any PC or mobile device 24 hours a day, 7 days per week. REACH automates all Boarder Leave Request procedures by allowing parents/guardians to approve or reject leave requested by the student-athlete electronically.

Student-athletes will receive a separate tutorial with login and password reset instructions.

Please note that parents and guardians will not receive separate REACH accounts; leave requests will be generated from the student-athlete's account.

An approved REACH leave request is required each time a boarding student-athlete leaves campus unless it is an IMG Academy chaperoned trip. For detailed information regarding leave policies and procedures, please refer to the Student-Athlete and Parent Handbook.

THE PROCESS

1. The student-athlete will create a request to leave campus through the REACH system.
2. Based on Academy procedures, parents/guardians may be asked to verify and give permission for a particular leave. Parents/guardians will grant this permission through the automated email that REACH will send upon the student-athlete's submission of the leave request.
3. If approved by the parent/guardian, the action is recorded by the REACH system and will inform Student Life that permission has been granted.

Additional approval steps may be required from the designated Host and/or IMG Academy staff contingent upon the Leave Type. For more information, please refer to the Student-Athlete and Parent Handbook.

A screenshot of a web-based interface for leave authorization. At the top, it says "IMG Academy" and "Leave Authorization Required". Below this, it says "Dear [Redacted Name]". The main body of the email states: "A Leave Request From IMG Academy Has Been Submitted That Requires Your Authorization. Please See The Details Of The Leave Request Below." ACCESS CONTROL AND SURVEILLANCE:

- Surveillance cameras are strategically placed throughout the campus to enhance visibility and monitor key areas, contributing to a proactive security approach.

WHAT MUST WE DO SO OUR STUDENT MAY HAVE A BICYCLE ON CAMPUS?

- Peddle bikes are permitted as long as students register their bike with a campus safety officer each academic year.
- Bikes are secured (locked) only in bike racks located across campus
- Motorized (electronic) bikes, scooters and the like are prohibited
- Refer to IMG Academy Student Handbook for more information

WEATHER SAFETY

In case of rain or inclement weather, all of our sport programs have a rain contingency plan for every session. Our coaches can pivot at a moment's notice in order to continue instruction safely.

Weather Safety Alerts will go into effect if lightning or other inclement weather is within a certain distance from the Academy. An alarm will sound to notify all staff and students that campus is under a weather safety alert. All persons must stay indoors until the weather safety alert is lifted. When the alert is lifted, a second alarm will sound to notify all persons on campus.

If students need to get anywhere while campus is under a weather safety alert is in effect, our transportation department will arrange for buses, vans or other forms of transportation to safely transport campers if necessary. If it is not deemed necessary, campers will stay put until the weather safety alert is lifted.

Further instructions about Weather Safety will be reviewed during orientation on check-in day.

HEALTH SERVICES

HEALTH SERVICES

HEALTH SERVICES PROVIDED BY JOHNS HOPKINS ALL CHILDREN'S HOSPITAL

Johns Hopkins All Children's Hospital provides the health care services for the students of IMG Academy. The Health Services team is honored to oversee your child's day to day health care. Health Services is an on campus facility open 24 hours per day. Care provided includes first aid, distribution of medication and supplements that are not permissible in the student's room, nurse visits or more complex physician appointments if needed during student's stay at IMG Academy. Health Services staff of nurses are available 24 hours a day to address your participant's medical needs. If you have any questions, please feel free to contact us at 941-752-2479 or email healthservices@imgacademy.com.

ADMINISTERING PRESCRIPTION MEDICATION WHILE AT IMG ACADEMY

Parents/guardians and students are required to provide Health Services with a current list of all medications, prescribed or over the counter, which the student currently takes. It is the sole responsibility of the parent/guardian to notify Health Services in order to update the student's medication administration plan with respect to any medication(s), dosing revisions, and health status changes. Students who do not take medication as prescribed by their doctor or who fail to follow their doctor's orders may be considered unfit to participate in their sport program.

Parents of non-boarding students are expected to attend to students' medication needs outside of school whenever possible; however, if a non-boarding student must take a daily prescription medication during school hours, parents are expected to provide the medication in original prescription bottles with the instructions in English to Health Services for administration.

For health and safety reasons, it is our policy that Health Services administer prescription medication to boarding students. Daily prescription medication must be turned into Health Services upon check-in to school. All medications must be in the original prescription bottles with the instructions in English for administration with the student's name, date of birth and all prescribing information. Health Services will work with local pharmacies to fill prescriptions if this is necessary for your child while attending boarding school .

Medications will be dispensed by Health Services staff or by Academy personnel who have been designated in accordance with the Academy's policy regarding the administration of prescription medication. Students are required to report to Health Services to receive their prescription medication in accordance with their treatment plan and missing a required dosage may result in disciplinary action and/or removal from participation in their sport program.

WHAT HAPPENS IF MY STUDENT-ATHLETE DOESN'T COME TO TAKE HIS MEDICATIONS?

Notices are sent to sport, school, student life and your child that a medication dose has been missed. If the dose continues to be missed these messages are escalated and the parent/guardian are informed.

DO ALL MEDICATIONS FOR MY STUDENT-ATHLETE NEED TO BE KEPT IN HEALTH SERVICES EVEN THOUGH MY STUDENT-ATHLETE HAS MANAGED THEM ON THEIR OWN AT HOME?

Yes. There are only a few medications that student-athletes may keep in their rooms - among them emergency medications. A full list is available for you from Health Services.

WHAT HAPPENS WHEN MY STUDENT-ATHLETE IS SICK?

Your student-athlete is seen by a nurse in Health Services and assessed as to problem and plan for care. If your student-athlete is feverish or infectious they will remain in Health Services until that time has passed and they can be released. If a higher level of care is required, a physician appointment will be made in consultation with the parent/guardian.

Emergency allergy control medication (EpiPens), topical creams, cleansers, eye drops, inhalers, nasal sprays, oral contraceptives, insulin, ibuprofen, non-sedating and non-decongestant antihistamines including Zyrtec (Cetirizine), Claritin (Loratadine), and Allegra (fexofenadine); throat lozenges/cough drops and other over the counter medications approved in writing by Health Services.

PREMIER PARTNERS

GATORADE

Hydration - Part of playing at one's best means staying hydrated. When an athlete fails to replace the fluids and electrolytes lost through sweat, they can become dehydrated. Gatorade re-hydrates better than water by putting the essential electrolytes back into an athlete's body and delivers carbohydrates that energize muscles and the brain. Participants should be instructed about the importance of adequate fluid consumption. Participant's may be training outdoors in a hot and humid climate where dehydration can occur quickly. Gatorade is one of IMG Academy's Premier sponsors, and we have integrated the Gatorade Product Portfolio into our athletes' workout sessions. We want to take each participant's game to the next level, and Gatorade is committed to helping participants get there. Gatorade will be providing products strategically placed around campus to fuel Athletes on their athletic journey.

STUDENTS WILL FIND:

- Gatorade Thirst Quencher: Proven hydration to replace what is lost through sweat. Available in coolers at your sport AND at both Gatorade Fuel Bars.
- Gatorade Recover: Protein to help rebuild muscle. Available in a Gatorade Recover Shake or Recover Bar for the end of the day either in the Gatorade Fuel Bars or at sport.

UNDER ARMOUR

Under Armour is the OFFICIAL PERFORMANCE APPAREL AND FOOTWEAR SPONSOR

Under Armour's mission is to make all athletes better through passion, science, and the relentless pursuit of innovation. Every Under Armour product is doing something for you; it's making you better. Founded in 1996 by former University of Maryland football player Kevin Plank, Under Armour is the originator of performance apparel - gear engineered to keep athletes cool, dry and light throughout the course of a game, practice or workout. The technology behind Under Armour's diverse product assortment for men, women and youth is complex, but the program for reaping the benefits is simple: wear HeatGear® when it's hot, ColdGear® when it's cold, and AllSeasonGear® between the extremes.

STUDENTS WILL GET:

Sport-specific gear packs outfitted by Under Armour at the start of the season.

ONE CAMPUS. BOUNDLESS POTENTIAL.
