If any portion is held invalid, the remaining portion of this Agreement will continue in full legal force and effect.

ASSUMPTION OF RISKS: Physical activity, by its very nature, carries with it certain inherent dangers and risks that cannot be eliminated regardless of the care taken to prevent or minimize harm. IMG has facilities for various sport specific activities such as soccer, golf, tennis, baseball, football and basketball and related activities such as physical training, running, weight training, and swimming. Some of these activities involve endurance or strenuous exertions of strength using various muscle groups; some involve quick movements involving speed and change of direction, some involve contact with equipment, fixed objects (e.g. goal posts), other participants (including participants that are older or younger and who may be larger or smaller in terms of weight and height) and various surfacetypes; and others involve sustained physical activity that places stress on the cardiovascular and nervous systems. The specific risks vary from one activity to another, but in each activity there are inherent risks, dangers, or conditions, both known and unknown, which are characteristic of, intrinsic to, or an integral part of the activity and which are not eliminated even if IMG acts with due care in a reasonably prudent manner. These inherent risks may include, without limitation, (1) minor injuries such as cuts, sunburns, bruises, muscle strains and sprains, (2) major injuries such as broken or fractured bones, concussions, or lost teeth, or (3) catastrophic injuries, such as heart attacks or fractured skull or those that cause disfigurement, loss of mental capacity, loss of sight, speech or hearing, paralysis, or death. I also understand that Participant may be exposed, or expose others, to contagious and potentially harmful or deadly disease such as influenza, common cold, chicken pox, meningitis, or measles. Participant will also be exposed to risks while traveling (such as in vans when traveling to and from competitions, social events, or the airport), exposure to large crowds (such as at a big competition or a theme park), exposure to various risks in connection with off-campus activities, and exposure to risks related to receipt of treatment for any physical or mental condition.

Participant and Parent/Guardian have read the previous paragraphs and (1) understand the nature of the activities at IMG, (2) understand the demands of those activities relative to the physical condition and skill level of Participant, and (3) appreciate the types of inherent injuries, illnesses and other risks which may occur as a result of such activities and/or treatment for any physical or mental condition that Participant may participate in at IMG. Participant and Parent/Guardian hereby agree and acknowledge that participation in a sport program at IMG and use of their facilities and services is voluntary and that Participant and Parent/Guardian knowingly assume all inherent risks in such activities. This provision shall be interpreted as broadly as permitted by F.S.A. 744.301 or applicable Florida law.

PUBLICITY RELEASE AND CONSENT: Participant and Parent/Guardian consent to all recording, photographing and filming of Participant at the Academy or related to IMG activities (the "Recordings") and each agree that IMG can use these Recordings at any time and in any manner without payment to, or additional consent of, Participant or Parent/Guardian and release IMG and its licensees from all claims related to use of the Recordings.

ACADEMIC RECORDS RELEASE: IMG will not release report cards to parties other than the parents/guardians of an enrolled student without written permission from Participant and/or Parent/Guardian. The communication between the coaches, residential mentors, faculty, family and student is valuable to the success of the child. In order to fulfill this mission, your signatures below indicate permission to release academic reports to these individuals.

ACKNOWLEDGEMENT OF RULES AND STANDARDS OF CONDUCT: Participant and Parent/Guardian understand that IMG has rules and standards of conduct that are set forth in the IMG Academy Student Handbook, which is available on our website and in hard copy, and agree to abide by these rules and standards for the safety of all participants, guests and employees whether on or off campus, in session or on vacation for the duration of enrollment at Academy. In addition, all Participants must comply with any applicable city, state or federal laws and ordinances. Participant may be subject to disciplinary actions for failure to do so. There will be no refund or credit due for dismissal, suspension, or lost training days or school as a result of disciplinary action.

ACKNOWLEDGMENT OF UNDERSTANDING: Participant and Parent/Guardian have read this Agreement to participate and fully understand its terms. Participant and Parent/Guardian acknowledge, freely and voluntarily, signing the Agreement to participate and intend the signatures to signify a complete assumption of the inherent risks of participating in or observing activities at IMG to the greatest extent allowed by law in the State of Florida.

IMG ACADEMICS/ATHLETICS DRESS CODE & UNDER ARMOUR EQUIPMENT POLICY

ACADEMIC DRESS CODE

Recognizing our student athletes share a strong sense of pride in being members of the IMG Academy community, we designed the following academic dress code to complement the uniform-based dress code student-athletes follow in their designated sport. Students must adhere to the following dress code during school hours in the Academic Center even if not attending class and while taking final exams. Students not in proper uniform are subject to consequence.

Tops: School uniform shirt must be polo style with collar and one of four colors provided in the school uniform package. The uniform shirts will be worn Monday, Tuesday, Thursday and Friday. On Wednesday a student-athlete can wear any type of Under Armour Polo as long as it has the IMG logo visible. Sweatshirts or jackets are permitted in the school but must be taken off in the classroom.

Bottoms: School uniform pants and shorts must be chino style, solid color, and in good repair (no holes or frayed edges). Shorts must be no shorter than fingertip length when arms are placed at one's side. Jeans, pajama bottoms, sweatpants, leggings, denim, skirts, camouflage, shorts/pants with prints and athletic shorts/pants/tights are not permitted.

Hats: Hats are not permitted inside the Academic Center (including entry ways, hallways, and classrooms).

Shoes: Shoes must be in good repair. Open toe shoes will be permitted. Closed toe shoes maybe required for academic labs and/or field trips.

Headphones/Earbuds: Headphones and earbuds are not permitted in the school.

Uniforms are now available for purchase in the IMG Bookstore or on [ShopIMG.com](http://shopimg.com) (<http://shopimg.com/collections/school-uniforms>). You may also place your order over the phone by calling the IMG Bookstore at 941-749-8754. All uniform items will be available at the IMG Bookstore year-round.

ATHLETICS DRESS CODE & UNDER ARMOUR EQUIPMENT POLICY

All IMG Academy student-athletes are required to adhere to the IMG Academy Under Armour Equipment Policy.

IMG Academy is proud of its relationship with Under Armour (hereafter "UA"), the Official Outfitter of IMG Academy. Each sport is provided an allocation of Under Armour gear which will differ by sport. Under Armour provides IMG Academy student-athletes with a generous supply of practice and competition merchandise specifically produced for IMG Academy student-athletes

Each student-athlete is expected to wear his or her official IMG Academy Under Armour gear when participating in an official team activity. An official team activity is defined as competition, practice, workouts, travel to/from competition, photo sessions, and IMG Academy public appearances. Any student-athlete not wearing his/her allocated Under Armour gear during an official team activity will not be allowed to participate in that day of activities, including competitions.

Shoes: Running shoes, cross trainers, or sneakers that have been allotted to the student-athlete are to be worn to and from training, competition, and in the weight room at all times. If a student-athlete is not able to wear Under Armour footwear, he/she should follow the steps set forth in the Student-Athlete Handbook (provided at check-in).

Clothing and Soft Goods: UA clothing/soft goods must be worn at all times while participating in an official team activity. This would include the sports practice and game venue as well as APD classes and the weight room. Use of any product by a competitive company is not allowed. If an IMG student-athlete is not in compliance, then they are not allowed to participate in that training or competition.
